

**BECAUSE OF GIFTS FROM PEOPLE LIKE
YOU, 2019 HAS BEEN A GREAT YEAR
FOR LA ESCUELITA.
THANK YOU FOR YOUR CONTINUED SUPPORT!**

The new mural is complete and was celebrated by the entire community for the way it uplifts all the youth, whether students in La Escuelita or in some other school.

Medical exams and Dental care continued through the work of dedicated volunteer Nicaraguan doctors, dentists and medical assistants.

All the special days were celebrated with food for everyone, and a piñata for the children.

Special days include Mothers Day, Teachers Day, and the National Holidays for Nicaraguan Independence Day.

2019 WAS ALSO A GREAT YEAR FOR SEVERAL OF THE "DREAMS TO REALITY" SCHOLARSHIP STUDENTS

Rosa Lopez finished law school and is now an attorney.

Gerald Hernandez finished his training and is now a nurse.

Yeris Romero finished his education and is now a civil engineer.
